#### Description

She's a woman, but she can hold her own in a fight. Soft from a distance, but hard as a rock close up. She's dream. But, when you look in her eyes, you just don't know if she hates you, or just doesn't care enough to

#### Background

Lucy just lost it one day. She had previously been working on a Submarine. Mostly engineering, but she kn enough she backed up any team that was short. Highly recommended and praised.

But, on a bit of leave in a foreign country she realized that everything she pushed herself to be and do wiview of reality. That she gave up every part of herself to be what was needed. And it wasn't pretty. She to not go back to who she was. After a year of therapy and transfers/leave she retired from the military for
